

God created a soul and his moral law effects us biologically

crossed (PRO)

Some guy pulled a 3000 pound car off a small child. The world record for lifting stuff before this was 1003 pounds. Through the power of love he biologically became 3 time stronger through the power of love.

This is proof of a soul

"As I write in the story, Boyle accomplished an almost unthinkable feat of strength. The world record for dead-lifting a barbell is 1,003 pounds. A stock Camaro weighs 3000 pounds. So how did Boyle pull it off?"

A man dies from broken heart after loosing his wife. This can really happen and does happen

This is proof of a soul

This is proof of a soul

A bunch of orphaned babies died from lack of love even though they were fed and water but because they were not loved and their spiritual needs were not taken care of they died.

This is proof of soul

Same exact thing. But it was done through an experiment.

In an experiment the US government decided to see what lack of love does to babies. Group one was fed and watered but no love. The second group was fed and watered but they got love. Group one of babies with no love ended with half the babies dead.

This is sick but it proves love is biological and is proof of a soul

From my research I have concluded that you can only love this much with Christ. What I mean by that is those who have their hearts hardened can not experience love on this level. People who are not saved can feel love like this. Maybe to a certain degree. But if your heart is hardened. You are closed off to this kind of love. So if you want to feel love truly you need Christ. Do not mistake this for the fake gay kind of love

I have concluded that the restlessness and depression I have is caused by ungodliness. And for a long time been seeking to rid myself of it to do that I believe I must cleanse myself of all sins and obey God completely to find peace.

Psalms 119:165 Great peace have they which love your law: and nothing shall offend them.

Isaiah 57:21 There is no peace, said my God, to the wicked

So if you are with Christ completely and truly. You have peace. But if you are wicked you can not find peace .I mean this literally. This is proof of gods moral effecting us biologically. You need to follow gods law to have peace.

If you wish understand this peace i am talking about better here is a video that explains it. Better then i ever could. This tells of how only believers in Christ can have peace. They can have happiness. But No Joy
